

New Product Announcement

inReach® Mini

Compact, lightweight satellite communicator with GPS

From anywhere on the planet, inReach Mini is your go-to connection for maintaining off-the-grid contact. It's our pocket-sized satellite communicator for adventures where size and weight matter. inReach Mini lets you send and receive text messages, track and share your journey and, if necessary, trigger an SOS alert to contact the GEOS 24/7 emergency response team. With inReach connectivity, your family and friends will know they can stay in touch, no matter where your activities may take you.

KEY FEATURES:

NEW	POCKET-SIZED COMMUNICATOR	Small, rugged, lightweight device enables two-way text messaging with 100% global Iridium® satellite coverage (satellite subscription required).
NEW	ULTRA RUGGED	MIL-STD-810-G tested for shock and thermal impact.
	INTERACTIVE SOS	Trigger an interactive SOS to the 24/7 GEOS search and rescue monitoring centre (satellite subscription required).
NEW	WIRELESS UNIT-TO-UNIT CONNECTIVITY	Send and receive inReach messages through compatible Garmin devices, including connected wearables and handhelds.
	LOCATION TRACKING AND SHARING	Track and share your location with family and friends (satellite subscription required).
	REVIEW DATA ON YOUR MOBILE DEVICE	Share navigation data with Earthmate® app on your mobile device ¹ and review data on base of downloaded maps, colour aerial imagery and more.
NEW	MOUNT OPTIONS	Offers various mounting options including spine mounting support for Garmin accessories .
	GET WEATHER WHEREVER	Optional inReach weather forecast service provides detailed updates directly to your inReach® Mini or paired device ² ; basic and premium weather packages available (satellite subscription required).
	BATTERY PERFORMANCE	Internal, rechargeable lithium battery gives up to 50 hours of battery life ² in 10-minute tracking mode (battery life may vary depending on settings).
	WATER RATING	Rugged, impact resistant and water-rated to IPX7 ³ .

NO CELLULAR SERVICE NEEDED.

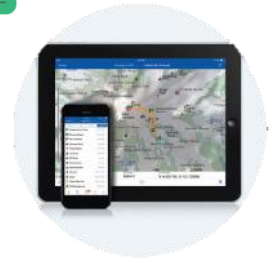

Pair with Your Mobile Device

For even more capability and convenience, the free Earthmate® app syncs your inReach handheld via Bluetooth® with your compatible Apple® or Android™ device¹ so you can access selected maps and aerial imagery. Plus, Earthmate allows you to conveniently use all of the inReach features on your paired mobile device. For easier messaging, you can also sync your inReach device with your phone's contact list to reach anyone, anywhere – with fewer keystrokes.
